Teaching Programme

Our Aim

To give all our students the best English language education possible.

The Teachers

Our teachers are all qualified (with TESOL qualifications and university degrees) and experienced native-speaker level teachers from many different countries. At Worldwide School, we believe it is important for our students to experience the diversity and skills of many teachers. Long-term students will benefit by learning from a number of our teachers not just one.

Our Curriculum and Teaching Methods

Our courses are approved by the New Zealand Qualifications Authority (NZQA).

Our teaching is based on the most up-to-date communicative method of teaching English and is designed to involve students as much as possible in their learning. We create an enjoyable and warm learning environment in our classrooms. Our students are actively involved in communicating with the teachers and with each other. Students are expected to talk, give opinions and be involved in their learning as well as study hard.

English is an international language spoken all over the world by many different nationalities with many different accents. Even native speakers have many, many different accents. In your life, you are likely to speak more English with non-native speakers than with native speakers. Therefore, at Worldwide School we believe that speaking and learning English from our teachers, who are from many English-speaking countries, and our students, who are from more than 30 different countries, is a wonderful chance to REALLY learn and experience international English. Speaking with students from France, Korea, Latin America, Saudi Arabia, Germany, Japan, Czech Rep, Vietnam etc. helps your English to get even better.

WWSE Levels are Described using the Common European Framework Descriptors.

Full-time General English (20 hours per week)

Full-Time General English course students join morning and afternoon classes. They can also do extra hours of supervised independent learning in our school library.

Morning and Afternoon Programme

Morning Class - **9 am to 12.00 pm** Monday to Friday

Afternoon Class - **12.40 pm to 2.30 pm** Monday to Thursday

We offer 8 General English levels. At each level we teach essential grammar, vocabulary, functions and writing and reading skills. Students also receive a lot of listening and speaking practice and teachers encourage students to practice their speaking, give opinions and ask questions.

General English afternoon classes have even more speaking and listening. There is a lot of pair and group work, discussions on varied and interesting topics, fluency activities, songs, DVDs, vocabulary and exercises to improve speaking and listening skills used in everyday English.

Full Time General Course

Full-time General English course students join morning and afternoon classes.

Academic English Options

IELTS, FCE&CAE, TOEIC and Business English – these options are available to some students at certain times. Watch the notice boards and check Worldwide Online for information.

Placement and Assessment

When students arrive, they are tested in grammar/vocabulary, writing and are interviewed. They are then placed in the best class for their level of English. Student do reading, writing, listening and speaking skills tests in Week 3 and Week 5 of the 6-week block in all classes. When students receive 75% or more in all 4 tests they are moved up to the next level. Students advance at their own pace, but most spend eight to 12 weeks at each level. At the end of every 6-week block each student receives a Worldwide online progress report.

All classes have a self-access session once a week. This is an excellent time to talk to your teacher about your progress and to set individual goals.

Graduation

At the completion of a course with a minimum of 80% attendance students receive a Certificate of Attendance and a final report at graduation.

This is held every Friday at 11.40 am

- Anzac Campus- Student Lounge on the 6th floor
- Emily Campus- Student Lounge on the 1st floor

Afternoon Options

These options are subject to demand and may require minimum class numbers to run. You can change options during your course if you wish. Afternoon options are from 12:40pm to 2:30 pm, Monday - Thursday. There is no afternoon class on Friday but you can choose to study at the self-access centre.

The 'conversation' option is automatically chosen for students if the other options are not available.

A lively, highly interactive and enjoyable option which covers all the sounds used in spoken English, with work on intonation, stress and linking. Also develops listening and speaking skills, with an emphasis on fluency and communication.

Pronunciation Option

Social and Activity Programmes

Every day of the school week we have social and activity events organised.

These usually are: (and some others as well)

- Soccer
- Rugby (touch rugby)
- Pub Night
- Yoga

The social and activity programmes are very popular and are great ways for students to practise English in an informal environment and socialise with students from other classes.

Our average class sizes range from 14 to 16 students.

We are also just 10 minutes' walk to the beautiful harbour area. It is a great location for students. It is recommended that students are 18 years old of age at the enrolment. We have no maximum age. Students are tested and placed carefully into their correct level on their first day at school.

Students move up when they have passed the required skills tests. These tests are given in Week 3 and Week 5 of the 6-week block and consist of two of the four skills: reading/speaking and writing/listening.

In addition, teachers do regular reviews of grammar and vocabulary in class.

Assessment

Assessment of students' learning is both formal and informal.

Informal

Teachers are encouraged to use progress tests from the course books being used along with other tests of language taught in the class.

Formal

Formal assessment of skills is done in the fifth week of the six-week block. Formal test scores are entered and permanently saved on the student's record on a computer database.

Promotion

A percentage score is given for each skill based on the assessment. A student who scores a 70% average across all five tests is considered ready for the next level. Students advance at their own pace but would usually spend 6 to 12 weeks at each level.

Speaking

Assessment is done in Week 5 of the block.

There are two criteria scales – levels 1 -3 and 4 – 7.

Teachers may choose to base the assessment on the student's performance while in the class or to use an appropriate task from the Speaking Assessment file.

The assessment score is a number out of a maximum 20 (L1-3) or 25 (L4-7).

For the Six-Week report this number is turned into a percentage score.

Grammar/Vocabulary

Tests are given in Week 3 of the block. The test score is out of 50.

For the Six-Week report this number is turned into a percentage score.

(ie: 50% on the test is deemed as the norm.)

Writing

Tests are given in Week 3. The test score is out of a maximum of 25.

There are two criteria scales – levels 1 -3 and 4 – 7. See Writing Assessment file.

For the Six-Week report this number is turned in to a percentage score.

Reading

Tests are given in Week 5. For the Six-Week report the score is turned into a percentage.

Listening

Tests are given in Week 5. For the Six-Week report this score is turned into a percentage.

We have a native and a non-native speaking counsellor for most languages.

All of our counsellors are at school most days, so students are able to see them during the day. You should talk with your counsellor if you need help or advice with any problems. Your counsellor is NOT a 24-hour babysitting service and should not be asked unreasonable requests. If your counsellor is not available, you can always get help and advice from any staff member.

Worldwide Counsellors

We provide a support counsellor for ALL our students. In most cases we have native speaking counsellors. We have native and non-native speaking counsellors on site or on call for the following languages:

- Arabic
- Chinese
- French
- German
- Hungarian
- Italian
- Japanese
- Korean
- Persian
- Polish
- Portuguese
- Russian
- Spanish
- Slovakian
- Thai
- Vietnamese

Some of our counsellors are full-time staff, so students are able to see them during the day. Other counsellors that are part time come to school two or three times a week, usually Mondays and Thursdays at certain times.

The counsellor's job is to phone the student at their homestay after the student has arrived and then take the student on their orientation programme, usually on the first day at school. They then help with difficult requests and give advice on life in Auckland.

In addition, the counsellors are not qualified to help students with psychological disorders. However, the counsellor is available 24 hours in case of an emergency and the student is given the phone number of their counsellor for that reason on the first day.

Section 2-School Policies and Procedures

Students attending Worldwide School will be expected to:

- Attend all classes (100% attendance is required by the immigration service for student visas)
- Be on time for class (many teachers do not allow late students to enter until break time)
- Sit regular tests
- Speak ONLY English
- Phones in class are only for study reasons
- Show consideration and respect to school premises, members of staff and all other students

Students who do not comply with the school rules may be expelled from school and their visa revoked. Students who are expelled will not receive any fee refund.

Breaking New Zealand law* = instant expulsion.

Breaking school rules = 1st time verbal warning, 2nd time written warning, 3rd time = expulsion.

*Please note that NZ law may be different from the laws in your country. Ignorance of NZ law is not an excuse. Please respect the rights of others at all times.

School Rules

Attendance

Students with less than 80% attendance will also not receive a graduation certificate. If you do not come to class, you will be marked ABSENT. You will be marked absent for moving flat and other personal problems. You will be marked absent if you miss more than one hour of class. Both morning and afternoon classes count toward attendance. For students on a student visa it is VERY IMPORTANT to have good attendance. Students with poor attendance usually cannot get another student visa.

Warning Letters for Attendance

Worldwide School expects students to attend all classes. We are very strict about our school rules on attendance.

- If your monthly attendance is less than 80% then you will receive a warning letter
- Attendance over 3 months with a total of less than 80% means you will lose your place at Worldwide School of English, receive no tuition fees refund and NZ Immigration will be informed.

This is in accordance with immigration requirements for all international students studying on student visas.

Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available through the New Zealand Immigration Service and can be viewed on their website at www.immigration.govt.nz. If you need to change or extend your visa, please see your counsellor. There is help available. You must have the correct, valid visa to study at Worldwide School. The school will need to see your passport and take a copy of your visa.

Student Fees Protection

Worldwide School of English has developed its Student Fee Protection Procedures in accordance with Student Fee Protection Rules 2022 and Outcome 10 of the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021.

This ensures that student fees are secure from misappropriation and are only made available to WWSE in accordance with the New Zealand Qualification Authority's Student Fee Protection Rules 2022 and NZQA approved Trust Deed regulations.

Fees paid to WWSE in advance are held by Static Trust and in the event of a course closure, they will be transferred to an alternative provider or to the person/Agent who paid the student's fees to us. This arrangement has been accepted by the New Zealand Qualifications Authority as meeting the requirements of the Education Act 2020 and the Student Fee Protection Rules 2022.

Cancellations & Refunds

Refunds

Current Government regulations for private language schools in NZ are:

Courses three months or more

If the course is of three months' duration or more and the withdrawal occurs up to the end of the tenth working day after the first day on which the PTE requires the student to attend the establishment:

In such cases the PTE may deduct up to 25 per cent of the fees paid, provided the PTE incurred costs to this amount, and can justify these costs.

(As per section 235A(1)(a) and (b) of the Education Act and as set out in the Education (Refund Requirements for International Students) Notice 2012.

Courses five weeks or more but less than three months

If the course is of five weeks or more but less than three months and the withdrawal occurs up to the end of the fifth day after the start of the course:

In such cases, the PTE must pay an amount equal to the fees paid less a deduction of 25 per cent. (As per section 235A(1)(c) and (d) of the Education Act.)

Courses under five weeks

If the course is under five weeks and the withdrawal occurs up to the end of the second day after the start of the course:

In such cases, the PTE must pay an amount equal to the fees paid less a deduction of 50 per cent. However, if two days constitutes the full amount of tuition paid for by the student, the PTE may retain 100 per cent of the payment (As per section 235A(1)(c) and (d) of the Education Act.) PTE's own refund policy.

These are minimum requirements. Students are entitled to a refund in line with a PTE's own refund policy. This may allow for amounts greater than the above. In special circumstances a PTE may also elect to make a refund that is greater than specified in its refund policy.

Accommodation Refunds

After arrival, accommodation payments can be refunded after 2-weeks' notice is given to the Worldwide School Accommodation Manager. Payments are made weekly on Fridays. Students cannot have their first 4 weeks of accommodation refunded. Accommodation refunds are given after the 2-weeks' notice and after the student has actually left the accommodation.

For updated information please go to: <http://www.worldwideschoolofenglish.com/187/refunds/>

Students cannot shorten courses or transfer afternoon classes to extra morning classes. Students are not able to transfer their tuition fees to another student. There is no refund on extensions or re enrolments.

Changes to Courses & Classes

It is not possible to shorten your course. However, you are welcome to extend your studies. Please tell the administration team. Changes to another programme at Worldwide may be possible although some courses have minimum length requirements.

There is no extra administration charge if you extend your course. Only your teacher can move you up or down a level. If you have questions about your level, please talk to your teacher. There are progress tests in Week 3 and Week 5 of the 6-week Block. You need to receive 75% or more in these tests to go up. For all class changes there is a deadline of 1.30 Thursday.

Absent

If you cannot come to school for ANY reason, you will be marked absent. More than 10 minutes late for 1st session you are absent for that class. Less than 10 minutes late you are "late" on attendance sheet. 3 lates per morning session in a week = 1 morning class absent. 3 lates per afternoon session in a week = 1 afternoon class absent. Late is also more than 1 minute late from a break time.

If you are sick the administration team or your counsellor will help you with your insurance claim, if needed. We can make a doctor's appointment for you if you need one.

Holiday Requests

Holidays can only be taken by students on a course of 12 weeks or more.

Holiday request must come with at least one weeks' notice. If you are not sure if you are entitled to a holiday please check the flow chart on the school notice board then come and see your counsellor or reception.

Student Visa students can only take a holiday if they have studied for 4 weeks or more, have at least 80% attendance, if there is enough time left on their visa and if they have 2 weeks or more study remaining at end of the holiday.

Working Holiday Visa students can only take a holiday if they have studied for 4 weeks or more and there is enough time left on their visa and if they have 2 weeks or more study remaining at end of the holiday. 1 weeks' notice of return is required in order to have a place in the class. There is no maximum length of holiday but there will be no refund on any unused tuition fees

Visitor Visa students can only take a holiday if they have studied for 4 weeks or more, if there is enough time left on their visa and if they have 2 weeks or more study remaining at end of the holiday.

Any extra holidays taken after the first will be charged a change of course fee of up to NZ\$300.

Safety of Possessions

Please be careful of your possessions. Do not leave any valuable things alone in the Student Room or in your classroom. Worldwide School is not responsible if your things are lost or stolen. If you lose anything, tell a staff member right away. We will try to find it for you or help you write a police report (you will need this for your insurance). Travel insurance will pay for lost belongings, accidents, sickness and other problems. It will not cover loss of any cash. Please do not carry a lot of cash with you. We can help you to open a bank account.

Change of Address

If you change your address during your stay at Worldwide School, please update on Worldwide Online.

Insurance

All students at Worldwide School must have travel and health insurance. If you get sick or have an accident while you are in New Zealand the cost can be very high. If you don't have insurance, we can arrange insurance for you. Please talk to your counsellor or to the admin staff in charge of insurance.

Section 4-Life in New Zealand

Homestay Responsibilities

Many of our students stay in homes with New Zealand Families. You will be treated as a member of the family. You will eat meals with the family and participate in activities with them. This will give you a chance to practise your English outside the classroom and to make New Zealand friends. The only meals you will have to arrange for yourself are lunches during the week (Monday to Friday). Of course, you also have to arrange your own meals if you are away on the weekends or at mealtimes.

You will have your own room, which you are expected to keep clean and tidy wherever possible.

Our Host Families are carefully chosen to be kind and friendly and close to public transport.

Coming to live in another country is a great adventure. Part of the fun is learning and living in a new culture, but you have to adjust. Here are some things that are common in New Zealand but may be new to you.

1. **Heat** – Central heating is quite unusual in Auckland. Most people have a heat pump, fireplace or space heaters that they use in the winter. We think this is healthier, but many students find it hard to get used to. Please ask your family how to use the heater. Do not leave the heater on when you go out or are sleeping.
2. **Cold** – Kiwi people do not seem to feel the cold. Even in the winter you may see people in shorts and sandals. If you come from a warm country, you might think it is cold. Please ask your family for an extra blanket. If your family is not cold, they will not think that you are.
3. **Showers and Baths** – Hot water is expensive in New Zealand and most people take showers of 5-10 minutes. Also, the water stays in the bath and should not be splashed around the room. Please keep your bath time short.
4. **Pets** – Most New Zealand people have a dog or a cat. Many families have both. If you have never lived with a pet, please ask the family the best way to pet or play with their animal. If you do not like the animal remember to leave your bedroom door closed.
5. **Shoes** – Many Kiwis leave their shoes at the door before entering a house, especially if the weather is rainy.
6. **Family life** – Couples have an equal relationship. It is very common for the husband to cook or do dishes.
7. Women are treated as equal to men. If you are living in a homestay, please treat the host mother with respect.
8. **Food** – Most Kiwis eat a cold lunch every day. Breakfast is usually cereal, toast and fruit or fruit juice, often in a self-service style. Potatoes are more common than rice. If you would like something special, please discuss it with your family. They will provide it if possible. They would probably be very happy for you to cook something from your country.

9. **Manners** – Kiwis are very casual and easy-going people. “Help yourself” is a very common expression. This means you can serve yourself without waiting. Remember that casual doesn’t mean rude! “Please” and “thank you” are important words.
10. **Bedtime** – Most New Zealanders are in bed by 10 pm during the week. This may be earlier than you are used to. You can stay up but please remember that people are sleeping and keep as quiet as you can.
11. **Toilets** – Many New Zealand homes, especially older homes, do not have a lock on the toilet door. You should knock before you enter.
12. **Internet** - Internet in New Zealand can be expensive. Most Homestays have LIMITED internet. Ask before you download large files or stream video. i.e. You Tube etc. Internet in Homestay might be for email, Skype, Facebook, email, messaging only. Expect to pay a small weekly fee for Internet use in your Homestay. So don’t spend all day on the computer-get out and enjoy Auckland!

Common Questions

Do you have a question about homestay life? Check here for answers!

1. *Can I smoke?*

Ask your family where you can smoke. There will be a place outside your house for this. NEVER smoke in your bedroom or anywhere inside.

2. *How can I call overseas?*

You should only use your homestay phone for local calls. For mobile phone calls and overseas calls please use Skype, Messenger or a phone card.

3. *What should I do if my family invites me out with them?*

Have fun! Also remember that you should pay for your entrance fee.

4. *What things are NOT provided by my family?*

Your family provides a room, two meals a day and three on the weekends. You need to provide personal items like shampoo. You might want to buy a few special food items for snacks.

5. *How should I do my laundry?*

Please ask because every family is different. Some will show you how to do the laundry and some will do it for you. If you wash your own clothes, please do not leave them to dry where they will drip on the floor. Ask the family where the best place is for drying.

6. *What am I expected to do around the house?*

Remember that your homestay is not a hotel. You are expected to keep your room tidy. Please try and help with small household chores like dishes.

7. *What should I do if I am not coming home for dinner?*

Please call or text your family by 5 pm if you are not coming home for dinner. You can ask them to save your dinner for you to heat it up later. If no one is there, you should leave a message.

8. *What should I do if I am not coming home for the night?*

Please call or text your family to tell them that you are staying with a friend, even if it is late. They will worry if you don’t.

9. *Can I use the family computer/internet?*

Please ask the family about their computer rules. Most families will let you check your emails, but remember that the computer is for the whole family, so ask if you want to use it for a long time. NEVER change any settings on a family computer.

10. *What do I do when I want to move out of my homestay?*

Please give 2 weeks (14 days) notice of moving out. Let the family and the Homestay Coordinator know.

11. *What should I do about payments?*

Please do not talk to your family about payments. All homestay payments are made from the school. Come to reception with questions about payments.

12. *Can a friend stay the night at my homestay?*

No friend should stay the night in your room without permission.

Security

New Zealand is known all around the world as a safe destination but that does not mean that nothing bad ever happens here. It is a good idea to be careful. Here is some advice for keeping yourself and your things safe.

1. When you go out always close your windows and lock the door.
2. Carry your homestay address and phone number with you in case you get lost.
3. Don't carry your passport with you. Get a Kiwi Access card if you need an ID.
4. Open a bank account as soon as you can. Your counsellor will help you. Leave your money in the bank and carry only small amounts (\$20 - \$50) with you.
5. Do not leave cash in your flat, homestay or city apartment.
6. If you are coming home late at night you should use a taxi, Uber or Zoomy. Some places are not safe to walk late at night.

Your Homestay Rights

Your homestay should give you 2 meals every day and 3 on the weekends if you are there. You should have a desk, lamp, electric blanket or hot water bottle and heater (in winter) in your room.

All our homestays have been inspected by the Accommodation Manager and almost all of our students are happy with their families. If you have a problem, it is very important that you tell someone!! Please talk to your counsellor or the Homestay Coordinator. We will take care of the problem for you. Usually homestay problems happen because of misunderstandings and are very easy to fix. If you need to move because of a serious problem, we can do that quickly.

Payment of Homestay

You should pay the school for your homestay. Do not pay your homestay family. You will receive a bill for your homestay every 4 weeks. If you want to be away from your homestay for a week or more you must pay ½ price per week to keep your room available.

Changes to Homestay

If you want to change your homestay or leave your homestay, please tell the Homestay Coordinator. She will find you a new family if that is what you want. You must let the school know 14 days before you want to move. You must also tell your homestay family 14 days before you want to move. If you want to move more quickly you will have to pay for the 14 days. Your first Change of homestay is free. After that, you will be required to pay the Homestay Placement Fee for any further changes to your homestay.

City Apartments

Worldwide school can also arrange apartments for Worldwide students who want to be more independent. These apartments are separate organisations and NOT owned by Worldwide School. If you have any issues or problems FIRST, please speak with the management of the apartments. If they are unable to satisfy your requests, then please talk with us SECOND.

Checking out is done with the apartments.

Flatting

Some students prefer to find their own apartment, which they often share with other students. Remember that if you flat you might lose the chance to speak English. We advise you to stay in a homestay for a while, until you learn your way around Auckland. You can then decide if you want to stay with your Host Family, move to an apartment or go into a flat. If you want a flat, check Trade Me or ask your counsellor. There is a notice board with flatting advice on level 5.

IF YOU CHANGE YOUR ADDRESS YOU MUST UPDATE YOUR WORLDWIDE ONLINE INFORMATION.

Accommodation refund rules

If you have an accommodation refund to be received, please note that we only process this type of requests on Fridays morning. Please make sure you see office staff by lunch time on Fridays to receive your refund. Give your information to the office by Thursday.

We normally pay accommodation refunds in two different ways:

- Cash cheque – for refunds under NZ\$1000.
- NZ Bank Account Transfer – for refunds over NZ\$1000.

Please make sure you provide us with a NZ bank account number if your refund is over NZ\$1000. Without this information we are unable to process your refund. We are also unable to process accommodation refunds to overseas accounts.

Also, please note that:

- We can only process accommodation refunds after you have left your accommodation. So please do not come for a refund before that. We will process your payment on the Friday after you have moved out.
- If you are not coming back to school after you finish your accommodation (going back to your country or travelling around NZ) please make sure you give a copy of your flight ticket to your counsellor. We need to see evidence that you are leaving your accommodation. In these cases your refund will be processed on Friday before your departure date.

Shopping Hours

Shops are normally open Monday to Friday 9.00 am to 5.30 pm with a late night until 9.00 pm either Thursday or Friday. Most shops are open on Saturdays and Sundays. There is a lot of good shopping at St Luke's, Victoria Park Market, along Queen St and in Newmarket. New Zealand's largest mall is Sylvia Park. Take the Manukau/Panmure train from Britomart. It stops at the mall.

Goods & Services Tax (GST)

Most Goods and services in New Zealand are subject to a 15% Goods and Services tax (GST). This is usually included in the price already.

Local Transport

The Central Britomart station is located very close to Worldwide School (less than 10 minutes' walk away). If you need information about how to get somewhere you should download the Auckland Transport App from the App store. <https://at.govt.nz/bus-train-ferry/train-services/auckland-train-network/> The Inner Link bus makes a circle around the central city. It comes every 10 minutes and is included in your bus pass.

The Ferry terminal is on Quay St across from Queen Elizabeth Square. Taxis are expensive, unless you share with a friend. You will probably save money if you use the Uber or Zoomy Apps. You should use taxis late at night.

Banks & Banking

Banks are open from 9.00 am to 4.30 pm, Monday to Friday (although in some places they are open on Saturdays). Your counsellor will help you to open a bank account when you arrive if you need one.

You can change foreign cash at any bank or currency change office. Remember to take your passport or other ID when you wish to change or take out money.

The unit of currency in New Zealand is the New Zealand Dollar.

100 cents = 1 dollar. There are 10 cent, 20 cent and 50 cent pieces which are copper or silver coloured coins and 1 Dollar and 2 dollar which are gold coloured coins.

There are:

- 5 Dollar (orange note),
- 10-dollar (blue note),
- 20-dollar (green note),
- 50-dollar (purple note) and
- 100-dollar (red note) banknotes.

There are no 1 and 5 cent coins so all amounts are rounded to the nearest 10 cents.

Most major credit cards including Visa, Mastercard, American Express and Diners Club are accepted by shops and restaurants throughout New Zealand.

New Zealand Postal Service

The post office is open Monday to Friday 9.00 am to 5.00 pm. The nearest ones are at 18 Beach Road (closes at 3.00 pm) and NZ Post Shop Britomart -10B/148 Quay Street (closes at 4.00 pm). You can purchase stamps, postcards and stationery in this Post Shop. There are post boxes for letters and they accept parcels over the counter.

Auckland Activities

There is a lot to do in Auckland!! Worldwide School works with an excellent activity company-Kiwiana Tours. There are display stands in the Student Lounge which have leaflets and brochures about things to do in Auckland and around New Zealand. You should watch the school notice boards and check Worldwide Online for information about special events happening in Auckland. Every Friday at the graduation ceremony special weekend events are announced.

Medical and Travel Insurance Information

All international students must provide evidence (in English) of comprehensive medical and travel insurance to cover the entire time they are in New Zealand. If you get sick, you may have to see a doctor or another health professional. In New Zealand you do not go to a hospital unless you are seriously ill. You make an appointment to go to your local GP (General Practitioner) who will have a medical centre near where you live. The medical centre will probably open at approximately 9.00 am in the morning and may be open throughout the day. If you require a doctor outside normal hours, there are many after-hours medical centres where you can see a doctor. Doctor surgeries and emergency medical centres are listed at the front of the Auckland telephone directory.

If you are too sick to come to class, please call **Student Services 09 302 52 88** and advise you are ill. Make an appointment to see a local doctor who will give you a medical certificate that describes what is wrong with you and indicates how many days you can stay at home. You will need to bring your medical certificate to Student Services when you come back to class.

If you do not notify us of your absence we will follow the procedures advised under the attendance/absence section of this handbook.

Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on their website at www.moh.govt.nz

A safe learning environment

We work hard to ensure our Campus is safe, comfortable and free from harassment. To achieve this, we model and encourage behaviour that is respectful, supportive and patient. If you have a health and safety concern, please raise it with staff at Student Help Centre on Level 3 or with the staff at Emily Place (level 2 reception). Your concern will be promptly dealt with. It will be formally documented and you will be notified of a decision/outcome within 10 days.

Abuse or harassment

Every person must be treated with respect at all times. Any student caught using threatening, abusive or insulting actions or language, or written letters or emails, likely to cause ill-will against any person or group, whether on the grounds of religion, colour, sex or gender, sexual orientation, family status, disability, race, ethnic origins, political opinion, age, or any other grounds will be brought before a disciplinary council. The council, at its discretion, will consider the behaviour, the context of the event, and any other extenuating circumstances. The result may be suspension and possibly expulsion from the school.

First aid kit and student illness

First aid kits are held on several floors - at Student Help Centre and DoS office on Level 3, Level 4 and at reception on Emily Place campus. If you are ill and need to leave campus, tell your tutor and/or Student Help Centre; we will make sure you get to a doctor, if necessary.

Accidents and hazards

Accidents at the school must be reported immediately to Student Help Centre on Level 3 or Student Help Centre on Emily place reception. The hazard/accident will be dealt with promptly and the incident recorded in the Accident/Hazard Book. Where the accident is serious an ambulance may be called.

Emergency Procedures

Fire safety

- In the case of fire, phone the fire service on 111 and sound the alarm; or if the fire alarm bells sound, you must leave the classroom immediately with your tutor.

Earthquake

- DROP down onto your hands and knees
- TAKE COVER under a table, or in a strong doorway, or in a corner away from windows
- HOLD onto your shelter or position until the shaking stops
- KEEP AWAY from glass doors or windows
- WATCH for falling equipment and other overhead objects
- STAY WHERE YOU ARE until the shaking stops. Do not attempt to run outside
- After quaking subsides, check yourself for any injuries
- If asked to evacuate the building, please use the stairs to exit and proceed to the more open area further up Anzac Avenue

Evacuation Procedures

Notices are displayed in the building explaining evacuation procedures.

In the event of a fire or fire drill you will be alerted to evacuate the building by the continuous ringing of the fire alarm. When you hear a continuous alarm evacuate immediately.

- Follow the warden's/tutor's instructions.
- Walk immediately to the stairwell.
- Meet at the assembly areas on Anzac Ave / Emily Place, where your tutor/warden will carry out a head check.
- Do not leave the assembly area or re-enter the building until your warden/tutor has advised you to.

Assembly Area

The assembly areas are on the footpath outside **76 and 88 Anzac Ave depending on which emergency stairwell you use**. If you are in Emily Place, there are two emergency exits. One is through Anzac Avenue, between convenience and the barbershop. If your classes is on level two, you must exit through Reception and turn right on Emily place towards the assembly point. Your tutor will do a head count of your class.

Pandemic Behaviour

In the event of another pandemic, referral and adherence to government directives is the first rule.

- Don't be afraid or worried
- Keep two metre spacing between you and the next person/s
- Wear a face mask
- Increase hand washing rituals
- Get tested at an approved testing facility
- Self-isolate if necessary
- Let your tutor or Student Services know your health status and where you are staying
- Be kind to others and yourself

Prohibited Items and Behaviour

- Smoking is NOT permitted in any areas inside or immediately outside the building. This includes the area outside the entry doors to the building and on Level 6 outdoor patio.
- Chewing gum is NOT permitted in any areas inside or immediately outside the building.
- Alcohol is NOT permitted in any areas of the building unless as part of an approved programme or an authorised social function.

- Illegal drugs are NOT permitted in any areas of the building.
- Weapons of any sort are NOT permitted in any areas of the building.

Campus Property

We rely on students to respect campus property. Please ensure that you use campus equipment carefully at all times. You may be held responsible for any costs resulting from damage you caused to campus equipment, display material, fixtures, fittings and furniture. Intentional damage may result in suspension leading to expulsion from the school.

Food and drink (with the exception of water) are NOT permitted in classrooms or lobby. You will be required to pay for any cleaning costs for stains to the carpet or any other damage you make to the campus facilities. If you would like to take water into your classroom, please use a sealed plastic drinking bottle.

Please do not open classroom windows at any time. You will be responsible for any cost or conviction resulting from damage caused by the open window. This may involve dealing with WorkSafe NZ and Police.

Student Conduct

Respect for Others

Please respect the rights of others to study in relative silence in designated areas. Please be very quiet when you are entering or exiting classrooms or other training facilities as we operate different classroom timetables for programmes taught in the school. Abusive or threatening behaviour to staff, other students, and visitors to Worldwide may lead to your suspension and ultimately expulsion from Worldwide.

Disciplinary Procedures

A breach of the Code of Conduct Policy may result in your suspension from the school. Depending upon the seriousness of the breach you may be suspended immediately from your class pending an investigation. You will be fully informed of the alleged breach and have the opportunity to respond.

Notice will be given to you of any disciplinary action that is found to be necessary. A copy of this Code of Conduct Policy may be obtained from Level 3.

If you are disciplined and your behaviour does not improve within a reasonable period, you may face further disciplinary action, up to and including expulsion.

We reserve the right to expel you immediately if, in our sole opinion, your behaviour is sufficiently serious to warrant this step, and/or your expulsion is deemed necessary for the protection of the other students, staff, and the school.

In the event that you are expelled from the school no tuition fees or resource fees will be refunded.

Complaints & Disputes Resolution

Problems

If you have a problem or concern about Worldwide we want to hear about it and help find a resolution. Problems or concerns could relate to your course, tutor, student services, or be of a personal nature affecting your study

Complaints Procedure

All factors and viewpoints will be considered, and, if warranted, an investigation undertaken. A formal decision will be delivered to you in writing.

If you are not happy with the outcome you can take your case to NZQA's Quality Assurance Division. Bear in mind that NZQA will ask you to provide evidence that you have gone through Worldwide's internal complaints procedure, and you will need to show a copy of our formal decision.

Safe Sex in New Zealand

Condoms are available from chemists, dairies, supermarkets and petrol stations. Using condoms correctly every time you have sex will help prevent pregnancy and sexually transmitted diseases. If you need to talk to someone about sex, preventing pregnancy, STDs or unwanted pregnancy the best place to go is the nearest Medical Centre. They are very close to Worldwide School. You can get a doctor's appointment, contraceptive advice and prescriptions there.

If you feel you have been harassed or attacked in a sexual way, it is very important to get help. The best place to go is the Auckland Rape Crisis Centre. The phone number is 366 7213. There is someone there from 9 to 4 Monday to Friday. Please feel free to talk to your counsellor if you would like some help or advice in your own language. They will make an appointment for you if you like.

Personal Safety

New Zealand and Auckland are safer than many other places in the world, but you still must be careful, especially at night. You should take a taxi home late at night. Don't walk, especially if you are alone. You should also look after your belongings carefully. People will steal an unwatched backpack or handbag. It is very important not to carry a lot of money with you. There are cash machines everywhere that take NZ and overseas cards. Most Kiwis carry less than \$50 in cash.

Traffic and Driving

Worldwide School is on busy Anzac Avenue. Please look RIGHT before you cross the street.

You can drive in NZ on your home driver's license but you should be very careful. Remember we drive on the LEFT here. Also, outside of Auckland the roads are often very small and windy so driving is hard work! Here are the NZ road rules <https://www.nzta.govt.nz/resources/roadcode/road-code-index>

Sickness and Accidents

If you are sick or have an accident, please contact school immediately. We can make an appointment for you to see a doctor or provide any help you need. Your insurance should cover the cost so keep all your receipts. If you have an infectious condition, please do not come to school until you are better.

Mental Health

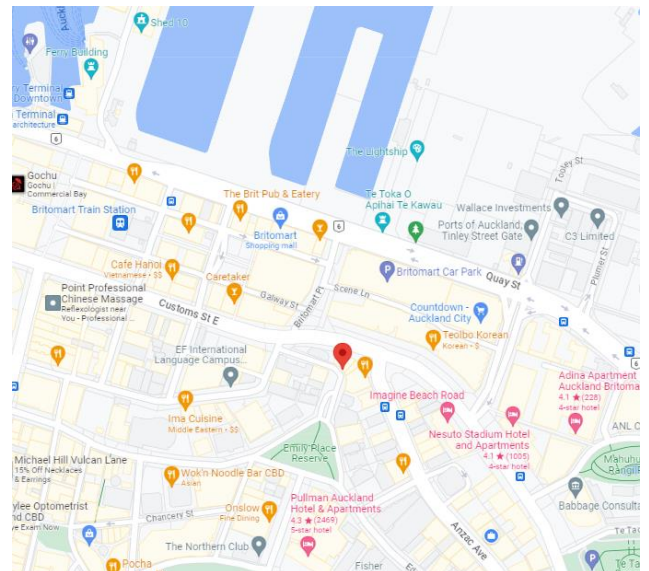

Sometimes students are homesick or suffer from culture shock. This is normal and almost always goes away as you adjust to your new life. If you need extra help have a look here for some good ideas

<https://www.mentalhealth.org.nz/assets/Five-Ways-downloads/mentalhealth-5waysBP-web-single-2015.pdf> Or come and see your counsellor we can help make an appointment for support.
